### **Lakewood Leaders Community Service Parent Consent Form:**

Your student wishes to become a member of Lakewood Leaders. This is a group dedicated to preparing students for leadership through community service and on-campus visibility. The decision demonstrates a high degree of maturity and community awareness, and is to be commended.

Over the course of the year, Lakewood Leaders will have the opportunity to conduct off-campus supervised community service projects. These may include, and are not limited to, after-hours school service, Lakewood Ranch community activities, and fundraising for agencies such as the American Cancer Society. Unless otherwise notified, students are required to provide their own transportation to and from these activities. Lakewood Ranch High School and the School Board of Manatee County assume no liability for injury or accidents that may occur driving to or from, or as a result of participation in, any Lakewood Leaders activity. In order to comply legally, each participating student must turn in this consent form signed by a parents or legal guardian.

My student \_\_\_\_\_ (print name), has permission to participate in off-campus community service projects as a part of the Lakewood Leaders program. I forever release, discharge, and hold harmless Lakewood Ranch High School and the School Board of Manatee County from any liability as a result of my child's participation in the Lakewood Leaders Program.

**By signing below, I understand what is expected of me as a member of Lakewood Leaders according to the option I chose. I also understand that I am responsible for my own transportation to and from community service events.**
